

## [Grow a Business](#)

Congratulations! You've got your business up and running. As you look to the future, the Virgin Islands Economic Development Authority can help you with plans to grow and expand your business. We offer attractive financing options and business development support to help make your business a continued success.

Qualified businesses are eligible for unique [tax incentives](#) including a reduction of up to 90% of personal and corporate income taxes and up to a 100% exemption on excise, business property, and gross receipt taxes.
